Emotional Wellbeing Measure for Primary School Pupils

	All Schools	Your School	
	%	*N*	*%*
Very Happy	9%	15	8%
Mostly Happy	52%	108	54%
Slightly Happy	32%	65	33%
Unhappy	7%	11	6%
Total	**100%**	**199**	**100%**

Emotional Wellbeing – a summary measure calculated from pupil responses to several of the questions in the general survey which evaluate pupils' overall happiness.

Evidence for Excellence in Education

NFER provides evidence for excellence through its independence and insights, the breadth of its work, its connections, and a focus on outcomes.
