Absences:

How has behaviour been this week? Do we feel our friends are trying hard?

- We agreed that the behaviour of those who came to our meeting last week has in general been better.
- We think a few people have still to follow our good example and we will let our teachers know if this continues.

How has the slide rota worked this week?

- We all agreed things have been much better this week and that children have been sticking to the rota.
- The Y6 reps were particularly happy with how things have been this week

Next steps /AOB:

- We need to speak to our teachers, to let them know we discussed last week's meeting and if they feel the children who came to the meetings need to speak to us again. We will arrange this for after half term.
- Next week's school council meeting will be for Y5/6 only. We will be discussing the elections for next year's council representatives.
- The Y1 teachers will be asked to choose a rep from each of the classes before the end of term. They will then be invited to our meetings for summer term two.
