- Next week it is...is it ever ok to give up?

What does it mean to be a good buddy?

- What is a good buddy? As a school council we discussed the above question & decided it was someone who: looked out for people who looked lonely, cared for their friends, stood up for people who needed it but didn't get drawn into a fight, rather they said the right things and got adults involved if needed, they listened to others and they follows the school rules.

Can we steal any of these good ideas?

- We discussed possible ways of letting people know they are a good buddy. This could be by wearing: a cap, a tabard, by providing buddy stops and buddy benches.
- Teachers will be sent images of these to be shown to the class.

Share the job application for being a buddy? Do we think this could work for us?

- The council think it is worth asking their class if anyone else would like to be class buddy. They thought it would be a good idea to interview pupils for the post.

Next steps /AOB:

- Ask their classes if they like any of the ideas above
