### Takeover Day Evaluation

- SC broke into small groups to discuss their experiences on Takeover Day.
- SC were loud and enthusiastic about their day! At the end of sharing with each other the children shared their thoughts with the rest of the group:

"My favourite part was the assembly and going into Mr Lumb's office to be filmed." Harley

"I liked meeting different children, learning their names and finding out about what they were interested in at school." Jack.

"I loved taking photos in assembly." Maya

"I enjoyed learning about the children." Meganne

"I liked doing the register!" Skye

"The times table battle was great in my class." Billy

"My best bit was being with Miss Pashby, walking around the school with her and tasting the green smoothie. We also got to phone someone and hire them! We interviewed her the day before!" Brandon

"I found out what it's like to be a teacher. I even had to put someone on amber!" Summer

"I liked playing with all the little kids." Isabelle

### Playground Buddies

- Lola and Harley explained how the playground buddies ran last year. *"we wore bibs and hats so that if children were feeling lonely then they knew they could find us and we would play with them or join them in games."*
- It was decided who would go out on Thursday and Friday morning playtime and a timetable would be made for the following week.

### Actions

- Jack and JE to find out where the bibs and hats are.
- JE to create a timetable and let teachers know.

### Next Meeting
