## How is the buddy system going?

- Last week's buddies forgot to pass on the tabards / caps on Friday and so this week's buddies were missing them during playtimes.
- We agreed that is everyone's responsibility to get the equipment to the next group. And so everyone needs to check if it is their turn. If it is, we must make sure we have what we need for the week. we need to keep checking the timetable.
- The first group of buddies said they enjoyed themselves, as children came up to them and asked if they could play.
- They said it did not affect their own games. It just meant they had more people to play with.

## Which signs do we like and want to order?

- We looked at a company called Charlie Fox, who specialise in playground signs.
- We all liked a long sign that can be attached to the end of our buddy stop table.
- We also like a larger sign that can be attached to the fence behind the stop.
- Ms Williams will look into a stop that can be customised. We would like one that demonstrates good behaviour in the playground.

## Next steps /AOB:

- Ms Williams to order the signs
- Everyone to make the tabards / hats are sent to the next group of buddies each wk.
- To remind everyone back in class that they should look out for the buddies if they need a friend to play with.
