- Next Wednesday the other four candidates will be invited and we will watch some speeches and discuss what a good speech looks like as we prepare their campaigns.

### Finish Suggestion Boxes

- All year groups completed their Suggestion Boxes.

### Introduce Suggestion Boxes to their classes

- Each pair went back to their classes and explained what the Suggestion Box is for. The children in their classes are invited to write on a piece of paper something that they think is working really well in school or something that they think might need improving. Then, every Wednesday, each year group will bring any suggestions to the meeting so we know what everyone is thinking.
