

# HCPS Council Meeting

Date: Monday 21<sup>st</sup> January

Absent: No one

Agenda:

- Discuss what we have done so far as a School Council
- Think about what we would like to achieve this term
- See how we can reintroduce Houses throughout school
- Share good ideas about playground equipment

Main Events:

- We shared last term's successes: - Takeover Day, Interviewing prospective staff, new books for the library and we rewrote the Stars in the entrance.
- We want to go back to our classes to have a think about what we would like to do next as a school council.
- We had many ideas about reinvigorating the Houses and Tokens, such as class tables or PE groups taking on a House. If the table behaves, the table gets a token. We also thought we could give tokens for good behaviour and use our class Trackit for bad behaviour. One person suggested putting a token in when you get a Trackit point. Another thought we could start with a full tube and take out every time someone misbehaves. We will send our ideas to Mr Lumb.

- *Mr Lumb asked us to discuss playground equipment. We are going to go back to our classes to find out what we would like buying and how we can ensure it stays safe and is not lost.*

AOB:

- *We will go back to class and ask our friends what they would like us to do this term.*
- *We will ask them what equipment they would like to see in the playground and how we can keep it safe and stop it being lost.*
- *Y6 suggested helping with clubs and will speak to the relevant staff.*
