

School Council Meeting

Date: 22-2-17

Agenda :

- Discuss the role of the governor in school

Present Wivine M, Thai, Abigail W, Evelina G, Brandon C, Abigail Wh, Kendra A, Awa I, Lola, Abigail P, Conner, Harley, Sam D, Grace, Gracie B, William L, Thomas, Jamie

Absences:

What is a governor and what do they do?

- We began by discussing the word 'governor' and shared our thoughts on what one might be.
- We decided it sounded like the word government and so it might be something to do with setting rules and running things in school.
- We looked at pictures of governors in our school and discussed their jobs- we learnt that they ensure Mr Lumb is running the school efficiently and that the staff in school are working effectively.
- We talked about who could be a governor and why they might apply for the role.
- The Y5-6 reps stayed behind and were then asked to speak to their teachers re. a suitable time for them to present a PowerPoint (that they will create) based on their understanding of school governance.

Next steps /AOB:

- Class representatives to speak to their classes (briefly) about the role of the governor in school.
- Year 5-6 reps to meet Ms Williams again to create a PowerPoint highlighting the role of governors in school and who they actually are.
- These will then be presented to the whole school.
- We want the school to know their governors and understand the important role they play at Hunslet Carr Primary.
