### **Tree Planting with Cllr Paul Wray**

- The SC were invited to plant trees at Leasowe field by our school governor and Cllr Paul Wray.
- SC were met by a conservation volunteer who spoke about the climate emergency and what Leeds City Council needed to do about it.
- SC helped plant some tree saplings. They all worked hard as a team and took it in turns to have a go.

### **Check in circle – getting to know each other and introductions.**

- SC and JE took it in turns to introduce themselves and say a fact.

### **Rules of being in the SC.**

- JE explained the rules and expectations of being in the SC. The SC agreed that they needed to stay on green and have good attendance as representatives of the school.

### **Heads and Deputies Youth Summit feedback.**

- The Heads and Deputies attended the annual Youth Summit on Wednesday 22<sup>nd</sup> January at Elland Road.
- They spoke to the rest of the SC about what they did.

- Around the conference centre there were stalls where all the children from different schools got to experience different activities which are available around their local community.
- The children then took part in a vote where they had to decide what they would like to see more of in Leeds for children after school, at weekends and in the holidays.
- They had a great day!

### **Playground Buddies.**

- Ruby spoke about playground buddies and how she would like to bring this back.
- We discussed how it worked 2 years ago and the draw backs (some SC members decided not to go when they were timetabled) but also the plus points (such as making sure children were OK and had someone to talk to at playtimes).
- SC decided to take a vote on whether it was something they would like to do.
- It was unanimous as a 'for' vote.
- We discussed what we would need to do to launch playground buddies:
  1. Locate bibs.
  2. SC meetings on scenarios that could happen and game ideas.
  3. Assembly launch led by the heads and deputies.
  4. Timetable agreed by all children.
