Pupil interviews

- Abigail spoke to the rest of SC about the pupil interviews that she and Brandon undertook last week.
- From the questions that were asked about the SC and how well the rest of the school know what we are doing we found that most did not.
- SC discussed how we can spread the message further.
 - Show their own classes how to use the section of the website again.
 - Assemblies, perhaps every half term or termly on things that have happened/underway.
- Everyone agreed the assembly would be a good idea to keep everyone updated.
- We also discussed the opinion boxes so children can feel more involved.

Assembly preparation

- SC got into their House Team groups to continue with their presentations.
- We are going to aim for the week before half term!

To do:

- Finish our presentations – see if they are ready for the week before half term!
