Absences: Abigail P

Share SEAL statement

- Next week it is...what is bullying?

Buddy resources- what have we found and what do we need still?

- The stop (s) should be placed either on the grassy area, in the whole of the table, near the Y5/6 entrance to the playground or near the office.
- We think we might need one or two more stops.
- We need to buy a sign to attach to the end of the agreed buddy table(s).
- If this proves difficult to do Mr Lumb has said we can look into Conner's neighbour making some for us to decorate and add a sign
- We looked at the tabards and hats we already have. They will be worn by 5 children each day (one from each school council year) so that there is a child available to cover the key stages.
- I will create a timetable for the playground buddies.
- The council have agreed that they will take on the role of playground buddy for a week. They will then swap with another council member in their year group. They will be a playground buddy one in four weeks.
- We will run it on a morning playtime only, to begin with and review at the end of the autumn term.
- What is happening on Takeover Day?
- The council members were told they will meet next Monday afternoon to learn about the day and what they will be teaching.

Next steps /AOB:

- Year 6 to meet and discuss Takeover Day (2/11/16)
- To move the tables / benches- after agreement with Mr Lumb / Mr Carbutt
- To order signs to be attached to the tables / benches.
- The council members will be trained in being a good buddy at a later date.
