What has gone well this year?

- We created the new 30 things list for our spring homework
- We shared the 401 challenge with our classes
- We have discussed the need for a Buddy system and how it might work in our school
- We looked at the Team point system and came up with ideas for Mr Lumb.
- We went and chose lots of books for the school from Leeds library service
- During Takeover Day we took over our classes and helped our class learn about democracy
- We introduced British Values & democracy, and let our classes know how important they are
- Back in September, our Y6 council reps went to the Leeds Youth Council
- Each term, the head boy and girl write the termly newsletters

What could we have done better?

- Remember to complete tasks set in our meetings
- To come at 12
- To bring our books with us

What do we still need to do?

- Set up the Buddy System

- Sort out the Token System
- Trial the Buddy System
- We need to introduce the tabards and caps to each class before next Monday.
- A timetable will be sent around to each council member and their teacher to show when it is their turn.
- As from Monday, four children from the school council will be available each playtime to be a good buddy.
- The buddy sign will go out.
- We will trial this for four weeks and then review how it is going.

Year 5/6 school council reps need to order new resources for the playground

- The school council has been given £200 to buy new resources for the playground

Next steps /AOB:

- Begin the trial for the Buddy System
- Review after four weeks
- Look into introducing other volunteer buddies
