High Expectations, Caring, Positive Attitudes, Successful

The office blocks of Leeds are visible from our classrooms and it is our belief and desire that children from Hunslet Carr Primary School should be able to grow up and be successful within their own city. We want our children to aspire to be the lawyers, doctors and professionals that work in our city every day and to give them experiences to inspire their self-belief.

The key to ensuring our children succeed, both while pupils at the school and in the future, is having a caring stimulating and stable environment in which to enjoy their early years. We work hard to ensure the school allows our pupils to grow in to happy, caring members of the community.

What does Impossible is Nothing means to us?

Impossible is Nothing means you can achieve anything when you are resilient and you persevere.

1. Policy Statement

Hunslet Carr Primary School seeks to ensure that all its pupils receive an education which enables them to reach their full potential. There is a strong link between good attendance and increased attainment. Pupils who regularly attend school make much better progress socially and academically. Regular attendance enables pupils to adapt better to routines, schoolwork, and friendship groups.

We aim to work in partnership with parents and other agencies to ensure that every child can get the best out of the educational opportunities provided.

By working in partnership with parents and other agencies, we ensure that we have clear and robust strategies in place to manage and promote regular attendance for all students at Hunslet Carr.

We are committed to a whole school approach to attendance and a partnership relationship with parents and carers.

This attendance policy is part of broader suite of safeguarding policies and should not be viewed in isolation. Safeguarding policies include the HCPS Safeguarding and Child Protection Policy, Anti-bullying policy and Relationships policy.

5 Roles and responsibilities

5.1 Headteacher

The Head is responsible for:

- Ensuring every member of staff knows and understands their responsibilities for safeguarding and how this links with poor school attendance – ensuring compliance with Keeping children Safe in Education 2023. [Keeping children safe in education - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/101321/Keeping-children-safe-in-education-2023.pdf)
- Developing good support for children with medical conditions (including the use of individual healthcare plans), mental health problems and special educational needs (SEND). Ensuring compliance with Statutory Guidance for governing bodies of maintained schools and proprietors of academies in England December 2015 - Supporting pupils at school with medical conditions - [Supporting pupils with medical conditions at school - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/520217/Supporting-pupils-at-school-with-medical-conditions-2015.pdf)
- Ensuring every member of staff knows and understands their responsibilities for attendance.
- Ensuring accurate completion of admission and attendance registers.
- Ensuring staff are actively working to maximise attendance rates, both in relation to individual pupils and whole school attendance.
- Having clear processes in place to address persistent and severe absence - pupils who are severely absent may be at risk of CCE/CSE/grooming etc. and this cohort must be made the top priority for action and support. Ensuring all staff are aware of any potential safeguarding issues, ensuring joint working between the school, Children's Social Work Services and other statutory safeguarding partners. Often severely absent pupils have additional needs and therefore it is vital that schools ensure all appropriate services are informed and aware of the pupil's absence so suitable support can be considered, and education provided/accessed.
- Ensuring that all staff adopt a consistent approach in dealing with absence and lateness.
- Monitoring and analysing data and trends.

- Reporting to the Governing Body and Trusts the attendance figures and progress to achieving the set targets.
- Reminding parents of their commitment to this policy.
- Building and modelling respectful relationships with staff, pupils, families, and other stakeholders to secure their trust and engagement. Making sure there is a welcoming and positive culture across the school.
- Open and honest communication with staff, pupils, and families about their expectations of school life and performance so that they understand what to expect and what is expected of them.
- Liaising with other agencies working with pupils and their families to support attendance, for example, where a young person has a social worker or is otherwise vulnerable.
- Sharing information on and working collaboratively with other schools in the area/cluster, LAs, and other partners when absence is at risk of becoming severe or persistent.
- Ensuring the school attendance policy is applied fairly and consistently and recognises the individual needs of pupils and their families who have specific barriers to attendance. Schools should consider their obligations under the Equality Act 2010 and the UN Convention on the Rights of the Child.
