Purpose of the policy

For all people connected with the school to understand what will be provided by the school without charge and what will be offered with a charge being made. The policy will also clarify what is meant by a request for voluntary contributions.

1. Adoption

The school governors at their meeting on **2nd December 2021** adopted this policy and the scale of charges set out below. This is reviewed annually.

2. Policy Objectives

The education we provide wholly or mainly during school hours will be free but on some occasions a 'voluntary' contribution towards the cost of an activity may be requested by the school. Parents/carers are free to decide whether or not to contribute. This policy sets out the principles upon which the school will operate charges and remissions

3. Strategies

- no charges will be made for admitting children to school
- transport and admission costs for swimming lesson, during school hours, will be met by the school
- the school has allocated £500 per class per year to ensure that we provide a rich and varied curriculum supported by a range of experiences. This money is provided through the use of Pupil Premium funding. (please refer to Pupil Premium policy) However there may be times when the school may request voluntary contributions towards the cost of some activities planned during school hours
- where parents/carers are asked to make a voluntary contribution towards the cost of an activity which takes place during school hours, or to school equipment or school funds, the contribution will be genuinely voluntary. Children of parents/carers who are unable or unwilling to contribute will not be discriminated against
- when there are insufficient voluntary contributions to make an activity possible, and when there is no way to make up the shortfall, it will be cancelled
- on residential trips that take place wholly, or mainly, during school hours, the school will take the total cost of transport, board and lodging and pay 60% of the cost through our Pupil Premium funding. (please refer to Pupil Premium policy). The remaining 40% will be split equally between the number of children attending and this will be the cost of the trip. For residential trips the cost is not voluntary
- the carers of Children Looked After will be asked to make a small contribution to residential activities but the majority of the cost will be met by Pupil Premium Plus funding. (please refer to Pupil Premium policy)
- where parents/carers can show that they are in receipt of specific support payments they will not be charged for a school lunch
- where music tuition or singing tuition is not an essential part of the national curriculum, charges may be made
- we will adopt and follow the Extended Service Charging Policy for activities organised by them, after school and during holidays.

4. Outcomes

The funding of activities will be a clear and open process understood by all. We intend that our charging and remissions policy will be in line with that of the LA and that it will meet the requirements of the law.
