9th July 2020

Children's end of year reports for Reception Class

This year, each child will receive a letter from their teacher, letting them know what their teacher thinks they have done well and where they can improve.

Following lockdown, there are some differences to the usual report format.

Normally, if your child is in Year 1, Year 2 or Year 6, we would let you know whether they had passed their Phonic Screening Check, their Year 2 SATs in Reading and Maths or their Year 6 SATs in Reading, Spelling & Grammar and Maths. These tests did not happen this year, so we will not be reporting these.

We also normally let parents/carers of children in Reception to Year 6 know how well their child had done in a range of subjects between Sept and July. This year, we will be letting you know how well they were doing up until lockdown as this is the last time we formally assessed them in school.

This means the Attainment and Progress information on your child's report was correct at the start of March 2020.

Finally, we also normally give you information about their next teacher and the class they will be in. We won't be doing that this year because of the uncertainty around what will happen in September.

How we are intending to get them to you

If your child is currently attending school in a bubble, we will hand them their report in an envelope so that they can bring it home on Thursday 9th July.

If you are currently collecting Free School Meals from our inclusion team, they will be delivering your child's report sometime from the 9th July onwards.

All other reports will be posted to the main address we have on our records for your child during the week beginning 13th July. If you would like the report posted to a different address or if you would like two copies of the report sent to addresses, please email martin.lumb@hunsletcarr.co.uk and let us know.

If after reading your child's report, you would like to speak to their teacher about any aspects that were discussed, please email your name, your child's name and their teacher's name to martin.lumb@hunsletcarr.co.uk and we will get back in touch with you to arrange a telephone call where we can answer your questions.

As always, thank you for your support, patience and understanding during these difficult times.

Kind Regards, Martin Lumb, Headteacher.
