21st June 2021

Dear parents / carers of children in Oak Class,

I am writing to apologise for the inconvenience that asking your children to work from home today will have caused.

Mr Sharpe taught in Willow class on Thursday last week, where one of the children has tested positive for COVID-19.

As Mr Sharpe was a close contact with the affected person he has to self-isolate until midnight on Tuesday 29th June, even if he doesn't have any symptoms.

Normally, this would not have meant your children having to work from home as we would have been able to cover the class with another teacher. However, the positive case in Willow has meant that several teachers who would have normally stepped in to teach Oak class are also having to self-isolate.

Mrs Kenworthy will be in school tomorrow and is not affected by the positive case. This means that Oak class should return as normal tomorrow and that the disruption will just be for today.

Mr Sharpe is moving all of today's lessons online and if you have the technology and can remember your child's ClassKick login details they should access learning on there today.

If you do not have the technology / or can't remember your ClassKick login detail then please spend time on TimesTable Rockstars, Reading a Book and writing a piece of work on your favourite hobby. Mrs Kenworthy would love to read about how you enjoy making Youtube/TikTok videos, watching Leeds Rhinos or playing football for the Hunslet Boy's Club.

If you would like to speak to someone, or have any further questions, please email martin.lumb@hunsletcarr.co.uk

Kind regards,
Mr Martin Lumb
Headteacher
