**20<sup>th</sup> January 2022**

Dear Parents/Carers,

As you may have heard on the news, the Government is changing their guidance on measures to protect people against Omicron.

These include removing the need to wear a mask in shops, public transport and schools. This is on top of reducing the self-isolating guidelines from 7 days down to 5 days if you test negative on a lateral flow test.

### **Risk Assessment**

As always, Leeds City Council's Health and Safety team have updated their Risk Assessment for all schools, and you can find a copy of the school's specific Risk Assessment on our website.

While we are happy that things in the country have reached a place where the Government believes it is correct to make these decisions. The number of cases we see in school means that, for now, we are going to continue with the measures we currently have in place.

### **The main safety measures we have are:**

- **Parents and Carers who drop off/pick up their children must wear a face mask unless exempt when on the school site.**
- **Parents and Carers who drop off/pick up their children should avoid contact with Parents, Carers and children from other households.**
- **Staff in school will wear masks in the corridors and office spaces.**
- **Office spaces in school will be given a maximum occupancy number.**
- **Assemblies will continue to not occur until 28<sup>th</sup> Feb, at the earliest.**

We know these measures will be disappointing news, but we hope that by following them, we can reduce the number of cases in school and avoid the need to ask children to work at home as much as possible.

**That is why all adults who can wear a mask must do so when they are on the school site.**

### **Any Questions**

If you have any questions about the school's plans from tomorrow, you can call the school on 0113 2713804 or via email [martin.lumb@hunsletcarr.co.uk](mailto:martin.lumb@hunsletcarr.co.uk) where we will respond as soon as possible.

Kind Regards,  
Mr Martin Lumb  
Headteacher.
