27th February 2024

Dear Parents and Carers,

I am writing to ask for your help in keeping all the children in school safe.

Since the half-term holidays there have been several occasions when parents or carers have walked through the school into their children's classrooms.

This is something that should not happen.

Parents and Carers are welcome into our main reception area, and if they make an appointment, are welcome to walk through school to meet a member of staff to discuss their child.

We have three Parents and Carer meetings a year and three open mornings each year where you can spend time in your child's classroom.

Unless you are accompanied by a member of staff you should not go past these three points in our main reception area.

Rest assured that the safety of your children and the staff in school is always our number one priority. Thank you for your cooperation and understanding.

Kind Regards
Mr Martin Lumb
Headteacher
