

Year 4, 5 and 6 Easter Egg Decorating Competition

On Thursday, 28th March we will be holding our annual KS2 Easter Egg Decorating Competition.

Between now and next Thursday, **for those families who want to join in**, they can decorate their eggs with the children in the most imaginative way.

They should bring them into school on Wed, 27th and Thurs 28th March to be displayed in our hall.

We will then create a Video of all the entries from each class and post these on our Youtube channel on Thursday, 28th March.

Winners from each class will be awarded their prize in the Star Assembly on Fri, 19th April.
