24th April 2020

Dear Parents and Carers of children in Year 6,

I am writing to you to let you know our plans to ensure that all of our Year 6 children enjoy the end of Primary School Activities that have become a tradition at our school over the years.

Even though the end of your child's primary school education has been anything but 'Normal' we are committed to making sure that, when it is safe to do so, we do the things that the children will have been looking forward to.

If between now and July 17th, the government decide to open school's back up to all children, we will find a safe way of having a Prom, a Leavers' Assembly and the opportunity to have people sign their T-Shirts or Leavers' books.

If we are not able to open the school to all children before July 17th and the children have not returned before they move to high school, we will find one night later in the year, where we will invite all the Year 6 children to join us for their Prom.

We will also find a way for the children to get together to have a Leavers' Assembly and afterwards the chance to be with their friends and have their T-Shirts or Books signed.

I know that this is a very worrying time for the children and I hope that this little bit of news might help them understand that whilst things might be different, it doesn't mean to say that they will miss out on the some of the best moments of Year 6.

I hope you are all staying safe. Take Care

Martin Lumb
