

Dear Parent or Carers,

Now your child is signed up to the Harry Potter sleepover, here is some information you will need.

The children should go home as normal today and have their dinner with you.

The children are allowed to wear sensible non-uniform clothes such as jeans, tracksuit bottoms and jumpers/hoodies.

They will then come back to school at 6:30pm where they will be come in to the hall and sit in the 4 corners while the teachers take the register.

When they come back to school they will **need**:

- a sleeping bag or duvet and pillow
- a bag with face-wash or soap and a toothbrush and toothpaste
- pyjamas.

If you have these things the children can bring them but they are **not** essential:

- a ground mat or yoga mat to sleep on
- a pair of slippers and dressing gown.

There are some things they will **not need**:

- money – there is nothing on sale during the night so they won't need it
- food – children should have eaten before they come
- sweets or fizzy drinks – the children will be excited enough and won't need anymore sugar to keep them awake
- phones or cameras – even though it is a sleepover we are still at school and there won't be any need for these. If there is a good reason to contact you, we have your phone number and a teacher will call you.

After saying goodbye to you and taking their belongings upstairs, the children will come back to the hall to take part in a **Sorting Hat ceremony** before taking part in a number of **Wizard and Witch** workshops to earn points for their house.

We will then watch a Harry Potter movie. After that the teachers will help the children to get ready for bed before lights out. The girls will sleep at one end of the school in the Year 1 classrooms and the boys at the other end in the Year 4 classrooms. (Male teachers will sleep in the Yr4 room next to the boys and Female teachers will sleep in the Year 2 classroom next to the girls.)

**If you want to keep up with events at the Sleepover follow us on Twitter @HCPSLeeds**

If they are not already up by 7.30am, the teachers will wake them up and get them ready for breakfast at 8am before the children are collected at 9:00am by their parents or carers.

If you have any questions about the sleepover please don't hesitate to ask.

Kind Regards

Mr Martin Lumb  
Headteacher
