

# June Newsletter 2022

## **Welcome Back**

I hope everyone had a lovely half-term holiday and enjoyed the jubilee celebrations. Here at school we are looking ahead to the last part of the year.

## **Hot Weather**

With summer on its way, we would ask that on hot days you send your child with a hat and a bottle of water. On days where the forecast is for very hot weather, we ask that you apply sun cream before your child comes to school.

You should have received a Sun Safety Letter, with details about the sun cream we have in school and how we would apply it during the day. If not, please speak to the school office, where we will be happy to give you a letter.

## **PE Kit**

As we continue to move towards a more normal school week, we are asking all children to come to school **every day** dressed in full uniform. On their PE days, children should bring their PE kit in a bag and they will get changed at school. If you have any questions, please speak to a member of staff.

### **School Council News**

*We hope that you had a great week off and enjoyed the Jubilee celebrations. We had a street party picnic on the last day before we broke up to celebrate and it was brilliant!*

*Since last term we have been recording our very own Newsround. We are all becoming a lot more confident when speaking in front of the camera; especially the younger members of the School Council.*

*Every month the School Council members in their classes take over part of the Circle Time lesson. We think this is great because everyone in school now gets their opinions heard, such as whether they like school dinners or not. We are looking forward to hearing what the stars and wishes are this month.*

*Thank you for reading, Isabelle and Armandas.*
