

## **Lesson Study Report by Year 5/6**

### **What do we need to stop doing?**

- Supporting too much & jumping in. Take a step back.
- Picking some people to explain – let others have a go.

### **What do we need to start doing?**

- Use plenary questions – pit-stop.
- The answer is..... what is the question?
- Using resources across subjects – evaluation tools such as tree and ladders.

### **What do we need to do more of?**

- Reasoning, explanations – prove & justify
- Self-assessing, checking self before asking for help.
- More peer-teaching, be the teacher.
- More mixed ability grouping – masteringstyle, help each other.
- Competitive lessons – motivating & rewards
- Moving around, interactive and active activities
- Games, puzzles, tarsias

### **What do we need to do less of?**

- Supporting too quickly – children be more resilient, use resources & displays.

### **How did we find the experience as a whole?**

- Great to get into other classes, see the classroom routines, different ideas – also reassured us that we're all doing well.
- Useful to support each other in planning & adopting the same ideas.
- Chance to watch yourself back before discussing it again.
