

Hunslet Carr Primary School

Meet your child's new teacher

September 2020

Welcome to Pear Class

- Our School Vision
- The people who work in this class
- What our classroom looks like
- How we keep people safe in our classroom
- The start and end times for the day
- The things we will be learning about
- Our PE day
- The days we will be changing the children's home reading books
- How to get in contact with me

Our vision for the children at HCPS

The office blocks of Leeds are visible from our classrooms and it is our belief and desire that children from Hunslet Carr Primary School should be able to grow up and be successful within their own city.

We want our children to aspire to be the lawyers, doctors and professionals that work in our city every day and to give them experiences to inspire their self-belief.

The key to ensuring our children succeed, both while children at the school and in the future, is having a caring stimulating and stable environment in which to enjoy their early years. We work hard to ensure the school allows our children to grow in to happy, caring members of the community.

The people who work in our class are...

The teachers are
Miss Lockwood & Miss Bedlow

We are supported by Mrs
Adams

And Miss Holderness

What our classroom looks like

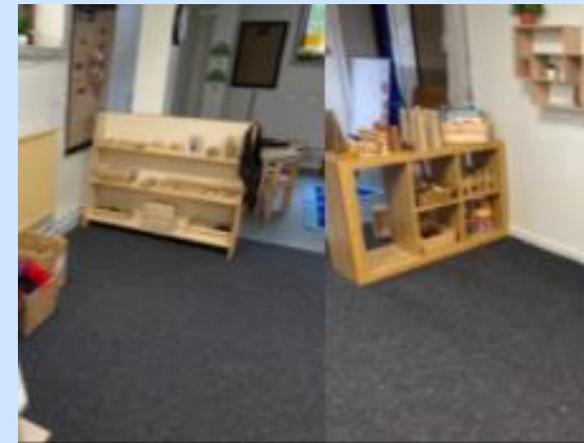

Our creative area

Our role play area

Our construction area

How we keep people safe in our class

We stay in our bubble

We clean our hands (a lot!)

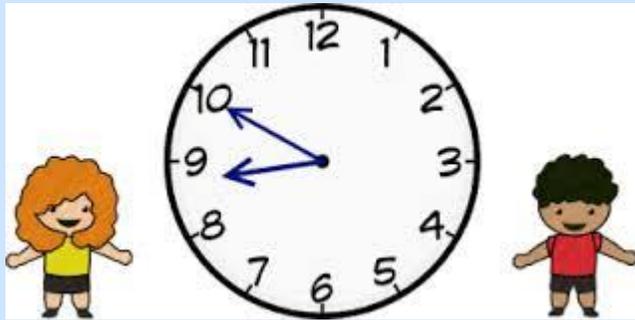

The resources are cleaned regularly

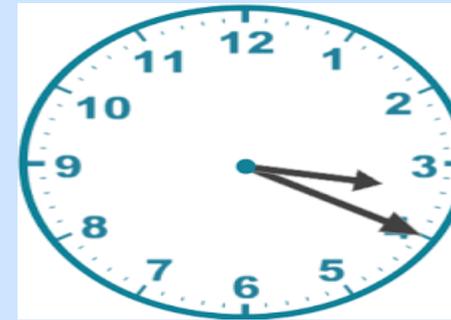

What time do we start and finish our day?

We start at...

8.50am or ten minutes to nine

We finish at...

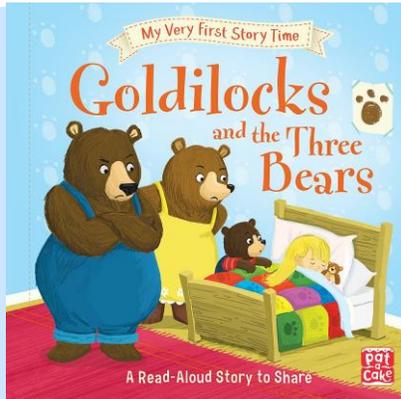

3.20pm or twenty past three

Unless you have siblings who finish later in the day – then you will leave at the same times as them.

What we are learning about in English

Our first writing topic will be about

We will be focusing on retelling the story and mark making.

Our first reading topic will be about

We will be reading stories every day as a class and singing lots of Nursery rhymes. We will be focusing on listening to sounds using instruments, with our bodies and in words.

We are also learning about...

Our first maths topic will be about...

We will begin exploring number by matching and sorting objects; comparing groups; and exploring patterns.

The Mastery Approach...

We follow the Maths Mastery approach in EYFS. We will be focusing on numbers to 5 this term, starting with number 1, to develop a deep understanding. We will be introducing concepts, such as adding and subtracting as we progress through the numbers.

What else are we learning about

Prime Areas

The Prime areas of learning include personal, social and emotional development, physical development and communication and language. We aim for every child to be happy, safe, independent and confident in Reception. We will spend valuable time building relationships to make this possible. This will build a great foundation to learn

Specific Areas

The specific areas include literacy; mathematics; understanding the world; and expressive arts and design. Your child will learn essential skills and knowledge in a context. We will explore different topics throughout the year. These topics will follow the children's interests.

Our PE day is

To help keep children safe, they should come to school dressed in their PE kit.

They will stay in their kit all day.

They should wear:
Blue/black tracksuit bottoms or legging
White T-shirt
Blue/black tracksuit top or jumper

How to get in touch with me...

At the moment, parents and carers are not allowed into school.

For that reason, if you would like to get in touch with me, please call the main office on

0113 2713804

If I am teaching at the time, I will make sure I get back in touch with you as soon as possible.
