Our vision for the children at HCPS

The office blocks of Leeds are visible from our classrooms and it is our belief and desire that children from Hunslet Carr Primary School should be able to grow up and be successful within their own city.

We want our children to aspire to be the lawyers, doctors and professionals that work in our city every day and to give them experiences to inspire their self-belief.

The key to ensuring our children succeed, both while children at the school and in the future, is having a caring stimulating and stable environment in which to enjoy their early years. We work hard to ensure the school allows our children to grow in to happy, caring members of the community.

The people who work in our class are...

Teacher: Mrs Standish

Teacher: Mrs Lachucik

Supported by: Mrs Atkinson
