Our vision for the children at HCPS

The office blocks of Leeds are visible from our classrooms and it is our belief and desire that children from Hunslet Carr Primary School should be able to grow up and be successful within their own city.

We want our children to aspire to be the lawyers, doctors and professionals that work in our city every day and to give them experiences to inspire their self-belief.

The key to ensuring our children succeed, both while children at the school and in the future, is having a caring stimulating and stable environment in which to enjoy their early years. We work hard to ensure the school allows our children to grow in to happy, caring members of the community.

The people who work in our class are...

The teacher is Ms Roberts

We are supported by Mrs Sargent

And Mrs Hedagus

Our PE day is

To help keep children safe, they should come to school dressed in their PE kit.

They will stay in their kit all day.

They should wear:

White T-shirt

The day we will change their home book

Your child will soon be bringing home a reading book. This book will not have been touched for at least 72 hours.

They should read their book for 10 minutes each day.

They should bring their book back every Thursday when we will change it for them.
