Year 4 – Multiplication Check

Dear parent(s)/carer(s),

Thank you for your support with all things times tables this year! Special thanks too for encouraging your children to log in and practise their learning on Times Tables Rock Stars. We know that many of the children have been enjoying using TT Rock Stars, particularly throughout this period of home learning. We're planning ahead for delivery of times tables next year and hope to capture a record of where the Year 4s are at now.

So **between Monday 29th June and Sunday 5th July** we ask that you create a quiet environment for your child to login to TT Rock Stars and concentrate while they are guided through **two Soundcheck games**. Both games should be given their best shot and will last a total of 5 minutes. The games will pop up automatically when the children log in between the relevant dates and everything will be explained about the special Soundcheck games to the children.

This will tell Mr Sharpe, Ms Williams and Miss Dennison how well each child has learned their times tables and give them an idea of how they would have done if the Multiplication Check had gone ahead this year. After doing the Soundcheck games it's back to TT Rock Stars as usual!

As an extra incentive there will be rewards for all of the children who manage to score 20 or more out of 25 and a prize for any children for score 25/25.

Please make a note in your calendar... Good luck!

If you have any questions, please ask Mr Sharpe.

Thanks for your continued support,

Mr Sharpe
