

Nursery Newsletter

Dear Parents/Carers,

We would like to take this opportunity to welcome you back to Hunslet Carr Nursery and we hope that you have had a restful summer holiday. The children have settled into school brilliantly and we are looking forward to more children starting with us throughout this half term.

Our hook this half term is 'Do all superheroes wear capes?' in which we will explore, real life superheroes and the qualities that make one. Then swiftly moving onto talking about each other, ourselves, and our families, whilst linking to feelings.

Staff in Nursery

Mrs Hedley is the teacher at the BW for Nursery and Mrs Thornton is the nursery teacher at the EW.

We also have lots of lovely staff in nursery to help the children. We welcome, Mrs Adams, Mrs Keech and Miss Passey.

We are also grateful for Mrs Andrews and Mrs Passey who will continue to work in nursery and work with the children each week.

We can't wait for this year and are already off to a positive start.

Tapestry

As a school within our EYFS we use an online system called Tapestry. This is to keep a record of your child's learning journey in the past this has comprised of photos and observations of your child. This year may differ slightly in the number of observations that will be uploaded, this is due to the new EYFS curriculum. Alongside this, we will continue to use tapestry to communicate from a home/school perspective and share any messages on the memo section.

If you're new to school keep a look out in your emails where you will receive an invite with log on details. Any problems, please let us know.

Welcome back

The children are loving being back at nursery, having lots of fun exploring the new areas, and seeing their friends again.

Here are a few photos of nursery.

Uniform

Please label/write names in your child's clothing especially in their jumpers/cardigans to ensure they doesn't go missing.

Thank you
