**11<sup>th</sup> December 2023**

Dear Parents and Carers,

As we come towards the end of the year, we would like to find out your views on how well we are doing in key areas of the school.

We are starting to make plans for 2024; what we need to do more of; what we should keep the same and what we need to change.

We are using the same questions that Ofsted use when they visit schools. This way we will be able to compare the results to 2022 when we last asked your opinions and to the National Average results.

Once we have collected the results, we will write to you again to let you know what parents and carers across the school have said.

To take the survey all you need to do is use the QR code below, which will open a link to our school's survey.

The survey will be open from today until Friday, 22<sup>nd</sup> December.

We are very proud of our school, and with your help, we can continue to make it the best it can be.

Kind Regards,  
Mr Martin Lumb  
Headteacher
