## **Purpose**

The purpose is for all people to be connected to Hunslet Carr Primary School to understand the 3 I's of Physical Education and School Sports. We encourage every learner to be the best they can be, to reflect and plan the next steps in their learning journey, demonstrating a respect towards others and contributing to the communities of which they are a part.

## **Intent**

It is our intent at Hunslet Carr Primary to teach children life skills that will positively influence their future. We aim to deliver high-quality teaching and learning opportunities that inspire all children to succeed in physical activities. We want to teach children how to cooperate and collaborate with others, as part of a team, understanding fairness and equity of play to embed life-long values and participation.

## **Implement**

Pupils at Hunslet Carr Primary participate in weekly high quality PE and sporting activities based around Real PE. Our PE programme incorporates a variety of sports and skills to ensure all children develop the confidence, tolerance and the appreciation of their own and others' strengths and weaknesses. We provide opportunities for all children to engage in extra-curricular activities before, during and after school, in addition to competitive sporting events. This is an inclusive approach, which endeavours to encourage not only physical development but also well-being.

Our curriculum aims to improve the wellbeing and fitness of all children at Hunslet Carr Primary, not only through the sporting skills taught, but through the underpinning values and disciplines PE promotes. Within our lessons, children are taught about self-discipline and that to be successful you need to take ownership and responsibility of their own health and fitness.

Teachers are provided with the Real PE informed '*Progression of skills*' document which aims to develop PE and sports skills. Real PE develops the key abilities children need to be successful within PE and Sport and across the curriculum. These areas are:

- Health and Fitness
- Creativity
- Cognitive ability
- Social skills
- Personal wellbeing
- Physicality

## **Impact**

Our impact is therefore to motivate children to utilise these underpinning skills in an independent and effective way in order to live happy and healthy lives.
