

Rainbow Room Newsletter

March 2024

Our learning focus...

We have been very busy in Rainbow Room this half term, as we continue to investigate different 'Animals.' Having already explored animals that live at the zoo and under the sea, we will now move on to naming farm animals. This will support our understanding of the season of Spring and the changes we can see as the weather becomes warmer.

Rainbow Room will finish the term with a fun filled week of Easter activities! From Easter egg hunts to decorating Easter eggs and delicious baking, we will immerse ourselves in this celebration of new life! We continue with daily phonics and maths lessons linked to our topic in order to engage the children. I will be discussing progress made in the reading, writing and maths at Parents evening. Please see below for further details.
