Purpose of the Policy

This Safer Recruitment Policy has been produced in line with the DfE guidance 'Keeping Children Safe in Education (April 2014)'. This policy aims to ensure both safe and fair recruitment and selection is conducted at all times. Safeguarding and promoting the welfare of children and young people is an integral factor in recruitment and selection and is an essential part of creating safe environments for children and young people.

This policy also pays regard to the School's Recruitment and Selection Policy.

2. Recruitment and selection policy statement

The School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share in this commitment.

The School is committed to attracting, selecting and retaining employees who will successfully and positively contribute to providing a valuable service. A motivated and committed workforce with appropriate knowledge, skills, experience and ability to do the job is critical to the school's performance and fundamental to the delivery of a high quality service.

3. Purpose

To ensure the recruitment of all staff is conducted in a fair, effective and economic manner. To achieve this purpose, those that are responsible for each stage of the recruitment process will demonstrate a professional approach by dealing honestly, efficiently and fairly with all internal and external applicants.

4. Scope

This policy applies to all the school employees and governors responsible for and involved in recruitment and selection of all staff.

The ultimate responsibility for recruitment and selection lies with the Governing Body. The Governing Body has delegated the operational responsibility to the Headteacher for appointing staff.

5. Aims and Objectives

To ensure that the safeguarding and welfare of children and young people takes place at each stage of the process and to ensure a consistent and equitable approach to the appointment of all school staff.

To ensure all relevant equal opportunities legislation is adhered to and that applicants are not discriminated against on the grounds of race (including colour, nationality or ethnic or national origin), sex gender reassignment, religion, age, disability, marital status or civil partnership, sexual orientation, pregnancy and maternity.

To ensure the most cost effective use is made of resources in the recruitment and selection process.

6 Principles

The following principles are encompassed in this policy:

- All applicants will receive fair treatment
- All applicant packs will include the job description
- Employees will be recruited on the knowledge, experience and skills needed for the job
- Selection will be carried out by a panel with at least two members or where possible, an odd number of at least three panel members to support decision making.
- At least one panel member will have received appropriate safer recruitment training, see 8.1.
- Selection will be based on a minimum of completed application form, short listing and interview, but in the case of teaching staff will, whenever possible, involve the teaching of a class.
- Posts will be advertised
- The Equality Act makes it a requirement to make reasonable adjustment to the recruitment process if an applicant makes the employer aware that they have a disability. This applies to the entire recruitment process, from advertisement to appointment

7. Equal Opportunities

The School is committed to providing equality of opportunity for all and ensuring that all stages of recruitment and selection are fair. Recruitment and selection procedures will be reviewed on a regular basis to ensure that applicants are not discriminated against on the grounds race (including, colour, nationality or ethnic or national origin), sex, gender reassignment, religion, age, disability, marital status or civil partnership, sexual orientation, pregnancy and maternity.

8. Safer Recruitment – Recruitment and Selection Training

It is a requirement that prior to the start of the recruitment process at least one member of the interview panel has successfully completed the NCSL (National College for School Leadership), CWDC (Children's Workforce Development Council), Safer Recruitment Consortium face to face, or NSPCC online safer recruitment training.

The following staff and governors have received Safer Recruitment training:

Martin Lumb, Amy Paoli, Andy Hinchcliffe, Kevin Birkin and Jon Haisine

9. Pre-recruitment Process

Objective

The objective of the recruitment process is to attract, select and retain staff who will successfully and positively contribute to the future development of the school. The first experience an individual has is important; therefore the experience should be positive and all those responsible for recruiting will:

- Aim to leave a positive image of the school with unsuccessful applicants
- Give successful applicants a clear understanding of the post and what is expected of them
- Reduce the risk of a selection decision which may lead to issues in the future or may not meet the commitment to safeguarding children and young people

Application Form

A standard application form will be used to obtain a common set of core data from all applicants. The application form will be adapted for different posts but will always include key information on safeguarding.

Job Description and Person Specification

A job description and, where applicable, a person specification will be issued for all posts.

References

The purpose of seeking references is to obtain objective and factual information to support appointment decisions. They will always be sought and obtained directly from the referee using a standardised school form.

References will be sought on all short listed candidates and will be obtained where possible before interview so that any issues of concern they raise can be explored further with the referee, and taken up with the candidate at interview.

When written references have been obtained, at least one will be followed up by a telephone conversation with the referee (normally the most recent employer) to confirm the reference.

10. Interviews

The interview will assess the merits of each candidate for the post and explore their suitability to work with children and young people. The selection process for people who will work with children and young people will always include a face-to-face interview even if there is only one candidate. A question on safeguarding will be asked during the interview.

Interview Panel

A minimum of two interviewers will form the interviewing panel. An odd number is recommended to enable a consensus agreement.

The members of the panel will:

- Have the necessary authority to make decisions about appointments
- Be appropriately trained, (one member of interview panel will have undertaken the training in accordance with 8.1)

Panel members will meet before the interviews to:

- Reach a consensus about the required standard for the job to which they are appointing
- Consider the issues to be explored with each candidate and who on the panel will ask about each of those

Where an applicant is known personally to a member of the selection panel, the panel member should declare it before shortlisting takes place. It may then be necessary to change the selection panel to ensure that there is no conflict of interest, taking into account the relationship between the panel member and the applicant.

Scope of the Interview

In addition to assessing and evaluating the applicant's suitability for the particular post, the interview panel will also explore:

- The candidate's attitude toward children and young people
- His/her ability to support the school's agenda for safeguarding and promoting the welfare of children
- Gaps in the candidate's employment history
- Concerns or discrepancies arising from the information provided by the candidate and/or a referee and,

If, for whatever reason, references are not obtained before the interview, the candidate will also be asked at interview if there is anything s/he wishes to declare/discuss in light of the questions that have been (or will be) put to his/her referees. It is vital that the references are obtained and scrutinised before a person's appointment is confirmed and before s/he starts work.

11. Conditional Offer of Appointment: Pre Appointment Checks

An offer of appointment to the preferred candidate will be conditional upon:

- Verification of the candidate's identity using photographic ID and proof of address
- Verification of eligibility to work in the UK
- Overseas check (where appropriate)
- Verification of the candidate's mental and physical fitness to carry out their role
- The receipt of at least two satisfactory references
- Verification of qualifications
- Verification of professional status where required e.g. QTS status (unless properly exempted), NPQH;

- In early years provision (including education or any supervised activity outside of school hours) or;
- In later years childcare outside of school hours for children who have reached 5 years but not yet reached 8 years, which includes before and after school care.
- (For teaching posts) Verification of successful completion of statutory induction period (applies to those who obtained QTS after 7 May 1999) and;

All checks will be:

- Confirmed in writing
- Documented and retained on the personnel file
- Recorded on the school's central record database and,
- Followed up where they are unsatisfactory or there are discrepancies in the information provided

Where any of the following apply, the facts must be reported to the Local Authority Designated Officer (LADO):

- The candidate is found to be on the barred list or the DBS Disclosure shows s/he has been disqualified from working with children by a Court; or,
- An applicant has provided false information in, or in support of, his/her application or,
- There are serious concerns about an applicant's suitability to work with children

If an individual's DBS certificate is not available, a member of staff would only be able to start work if all the following apply:

- The individual is appropriately supervised
- Satisfactory references have come through
- A separate barring check has been completed
- A Disqualification by Association check
- The person in question has been informed of these safeguards
- The appointment is not confirmed

- Supply Staff
- Visiting Professionals in regular contact with children – e.g. Visiting Music Teachers
- Contract staff in regular contact with children
- Chair of the Governors
- Other Governors

Post Appointment Induction

There will be an induction programme for all staff which includes Safeguarding training.

Supply Staff

When the school needs to use the services of a supply agency it will use agencies on the Leeds City Council Framework. The agency will send the school confirmation that the following have been checked:

- Identity
- Enhanced disclosure
- Right to work in the UK
- DfE Barred List
- Prohibition order
- Qualifications
- Overseas checks
- Disqualification by Association check

When the supply member of staff arrives at the school, their identity will be checked and it will be confirmed that they are the same person on the documentation from the agency. The supply staff's details are entered on the School Central Record (SCR)
