18th March 2022

Dear Parents and Carers,

I just wanted to write to all of the Parents and Carers of children who attend our school to let you know of two fake Tik Tok accounts that have been set up this week.

The accounts looked realistic and had the usernames of:

@hunsletcarr._.tea

@hunsletcarr._.coffee

The language used on these accounts and the content of the posts are not appropriate for children.

I can reassure you that we have contacted Tik Tok to suspend these accounts & would ask that you tell your child NOT to follow these accounts.

I am concerned that the information posted about various children from these accounts is detailed meaning that the person who has created them is most likely a child who attends our school.

I have spoken to all of the children in Year 5 and 6 in our assembly and explained that if they have made these accounts and said these things they have made a big mistake but they can put it right by deleting the accounts as soon as possible and learning from this mistake by never posting things like this again.

Your child's safety is our number one priority and you can find out more information about how to help them stay online by clicking the link below.
