## Summer 2

18.6.21

### Welcome back!

From Miss Wharam and Ms Roberts

We hope you all had a lovely half term break and enjoyed the beautiful weather we had. Football fever has definitely hit Year 1 and we are excited for the Euros!

### Topic

This term our question is: 'How have childhood's changed?'. Our topic will be split into 3 areas: toys, seaside and schools. We will be comparing modern to Victorian times. The children loved the geography side! We learnt all about Filey and compared it to Hunslet. We also looked at seaside holidays in the past and tasted our own hokey pokeys!

### Science

In science we are looking at animals, including humans. The children will be getting out as much as possible to observe and find out what's in our local area.

### Trip

In July we are hoping to go on a school trip. This will be local and we will tie in science and have lots of fun! Once things are confirmed we will let you know the details.

### Dates for your diary

- Tuesday 22<sup>nd</sup> June: Virtual Iman meeting.
- Friday 25<sup>th</sup> June: birthday party.
- Monday 28<sup>th</sup>-2<sup>nd</sup> July – Phonics screening check week
- Wednesday 7<sup>th</sup> July: Transition Day
- Thursday 8<sup>th</sup> July: a day of sport
- Friday 23<sup>rd</sup> July: break up for summer!

### Home Learning

Well done to those children who have been completing their home learning each week. Both maths and English activities will be online. If you need any support with this then please let us know.

Home learning needs to be completed for the following Friday.

**Reading** – It is so important that you hear your child read daily to support their fluency and understanding. Please sign their reading record every time so we can celebrate their reading.

***Reading at home and home learning is vital to the progression of your child.***

### PE

Due to COVID the children still need to come to school in their PE kit on **Fridays**. If your child wears earrings please can you make sure they are covered or out of their ears on this day. Also, please can all hair be tied back.

We are hoping the weather will improve so please make sure your child has a hat on these days and sun cream is applied in the morning.
