

Headlines for Ash & Oak class

13th January 2025

Happy New Year! Welcome back to school, we hope you all had a wonderful break and that the children are raring to go. We will now be knuckling down even more, remembering to keep persevering and that Impossible is Nothing as we continue to work hard. This newsletter outlines some of the activities happening this term. Any questions or comments, please come and speak to us.
Oak class: Miss Dennison
Ash class: Mr Sharpe & Mrs Kenworthy

Each Friday your child will be given **homework** to be handed back into school by the following **Thursday**.

Year 6 children will be being homework pages to complete each week, if the children need any support or help with this then the Year 6 teachers are available at dinner times.

Book bags please!

We expect all children to **read for 10 minutes 3 times a week**. There are raffle tickets and prizes up for grabs. They should also play on Timestable Rockstars.

Our **TOPIC** How can we spread love, not hate?

We are very excited about our new topic which links PSHE with Art to help children express their views on World issues through artwork.
